

# Provider Memo

Molina Healthcare of Nebraska 06/15/2026

## Updates to Molina's pharmacy policies, 3rd quarter 2026

Here are the clinical policy changes for Molina Healthcare of Nebraska **effective Date: 11/1/2026**

Please visit Molina Clinical Policies on the [Nebraska provider website](#) to access new and revised pharmacy policies.

| New policies                                                                      | MHI policy number |
|-----------------------------------------------------------------------------------|-------------------|
| Crenessity (crinecerfont) C29356-A                                                | C29356-A          |
| Increlex (mecasermin) C8891-A                                                     | C8891-A           |
| Intravenous Bisphosphonates C16790-A                                              | C16790-A          |
| Loargys (pegzilarginase-nbln) C30652-A                                            | C30652-A          |
| Lynkuet (elinzanetant) C30293-A                                                   | C30293-A          |
| Crenessity (crinecerfont) C29356-A                                                | C29356-A          |
| Veozah (fezolinetant) C25593-A                                                    | C25593-A          |
| Vykat XR (diazoxide choline) C29622-A                                             | C29622-A          |
| Vyndamax (tafamidis) C17345-A                                                     | C17345-A          |
| Vyvgart (efgartigimod) C23127-A                                                   | C23127-A          |
| Xolremdi (mavorixafor) C28289-A                                                   | C28289-A          |
| Updated policies                                                                  | MHI policy number |
| Adakveo (crizanlizumab-tmca) C17920-A                                             | C17920-A          |
| Aldurazyme (laronidase) C28302-A                                                  | C28302-A          |
| Alpha 1-Antitrypsin (AAT) Deficiency Enzyme C8797-A                               | C8797-A           |
| Amvuttra (vutrisiran) C24213-A                                                    | C24213-A          |
| Antipsychotics C5016-A                                                            | C5016-A           |
| Brineura (cerliponase alfa) C11526-A                                              | C11526-A          |
| Elaprase (idursulfase) C2720-A                                                    | C2720-A           |
| Enzyme Replacement Therapy for Gaucher Disease (Cerezyme, Elelyso, Vpriv) C9674-A | C9674-A           |
| Erythropoiesis-stimulating agents (ESAs) C15389-A                                 | C15389-A          |
| Evenity (romosozumab-aqqg) C17324-A                                               | C17324-A          |
| Eylea (aflibercept) and Biosimilars C5674-A                                       | C5674-A           |
| Fabrazyme (agalsidase beta) C4865-A                                               | C4865-A           |
| Filspari (sparsentan) C25282-A                                                    | C25282-A          |
| Galafold (migalastat) C15445-A                                                    | C15445-A          |
| Gamifant (emapalumab-lzsg) C15970-A                                               | C15970-A          |
| Gender Dysphoria Hormone Therapy C17908-A                                         | C17908-A          |

|                                                                        |                          |
|------------------------------------------------------------------------|--------------------------|
| Givlaari (givosiran) C17924-A                                          | C17924-A                 |
| Hemostatic Agents C14570-A                                             | C14570-A                 |
| Imcivree (setmelanotide) NC C22214-A                                   | C22214-A                 |
| Immunoglobulin (SClg, IVlg) MHI C21554-A                               | C21554-A                 |
