

MOLINA HEALTHCARE Medicaid Behavioral Health and Medical Prior Authorization (PA) Code Matrix July 1, 2026 To search this document, type in the keyword or code you are looking for by pressing press Ctrl F on your keyboard. Please contact Molina at 1-855-322-4080 if you need more information about the Third-Party Proprietary Criteria referenced in this document or if information is needed in an alternate language. Information that indicates certain items or services do not require authorization in this Prior Authorization (PA) Code Matrix document is only applicable for Participating Providers. FOR ANY PA CHANGES DUE TO REGULATORY GUIDANCE RELATED TO COVID 19 – PLEASE SEE PROVIDER NOTIFICATIONS AND MOST CURRENT INFORMATION ON THE PROVIDER PORTAL. Non-Participating Providers, with the exception of some facility based professional services, require prior authorization for ALL services or items in all places of service. See exceptions below. Prior authorization exceptions for Non-Participating Offices/Providers/Facilities: • Hospital Emergency Department Services; • Evaluation and Management services associated with inpatient, ER visits and observation stays; • Local Health Department (LHD) services • Other services based on State requirements • Radiologist, Anesthesiologist, and Pathologist professional services when billed in Place of Service Code 19, 21, 22, 23 or 24 (except dental anesthesia for STAR children) All in-Patient admits and services require Prior Authorization, including: Acute Hospital, Neonatal Intensive Care Unit (NICU), Skilled Nursing Facilities (SNF), Rehabilitation, and Long-Term Acute Care (LTAC) Facilities. Obstetric Admissions for Delivery: Effective 03/01/2024 no prior auth is required for three (3) days for a vaginal delivery or five (5) days for a Caesarean delivery. Additional inpatient days will require prior authorization for claims payment. The codes in this document are for Out-Patient services only. Some services listed may not be covered by Medicaid. CMS, or your local State Regulatory Agency determines many of the plan benefits. The absence of a code from this list does not mean that a service is a covered benefit. Refer to the Texas Medicaid Fee Schedule and Texas Medicaid Provider Procedures Manual for the most up to date plan benefit information. DME Exceptional Circumstance Provision: Prior authorization for services not currently listed as a Medicaid benefit may be considered for coverage under the case-by-case exception or DME Exceptional Circumstance Provision when prior authorized and medically necessary. Prior authorizations are not required for the following: • Emergency Services for Participating or Non-Participating Providers. • Office visits at Participating Providers. • Referrals to Participating Network Specialists. Obtaining authorization does not guarantee payment. The plan retains the right to review benefit limitations and exclusions, beneficiary eligibility on the date of the service, correct coding, billing practices and whether the service was provided in the most appropriate and cost-effective setting of care. All services outside of the regulatory/coverage limits are subject to prior authorization review; coverage allowable and limits are outlined in the Texas Medicaid Provider Procedure Manual. Molina covers limited gene therapy services in accordance with our medical policies. All of these requests require Prior Authorization. For additional information please contact Molina Healthcare 1-855-322-4080.

Prior Authorization Code Matrix For Outpatient Drug Services								
Texas Medicaid Provider Procedure Manual								
This document is NOT to be utilized to make benefit coverage determinations. Please review the Texas Medicaid Provider Manual and Texas Medicaid Fee Schedule.								
Obtaining authorization does not guarantee payment. The plan retains the right to review benefit limitations and exclusions, beneficiary eligibility on the date of the service, correct coding, billing practices and whether the service was provided in the most appropriate and cost-effective setting of care.								
The prior authorization information reflected on this document is general in nature and is not intended to be relied upon in making medical decisions. The criteria listed below is generally accurate, but may be different based on factors such as specific medical condition or type of provider requesting the service. Each patient will have unique medical conditions, submitted by his/her physician in a particularized manner, that will factor into documents required, criteria applied, and Molina's decision of whether to approve or deny a requested service. Please contact Molina or your doctor to get more information regarding prior authorization for any particular service.

CMS PMD 7 Element Order 1.Beneficiary's name 2.Face to Face Completion Date The in-person visit (with the physician) and the mobility evaluation (with the therapist) are often referred to as the complete face-to-face examination. The results of both components are combined to address power mobility algorithm in its entirety. Either the date of the physician's visit, or the date of the physician's signature and concurrence with the therapist's evaluation - whichever date is the latest in sequence - is considered to be the completion of the face-to-face, or F2F completion date. The documented the Face to Face evaluation should include a detailed, narrative note in the patient's medical record. The record should include relevant information. Document the decision to prescribe a PMD. 3.Equipment Recommended 4.Diagnosis or conditions related to the need for the power mobility device 5.Length of need 6.Physician's signature The physician who performed the face-to-face mobility examination (ordering physician) must complete and sign with a valid signature. Ink or valid electronic signatures only – no stamps. 7.Date the physician signed the PMD order	Texas Medicaid Provider Procedures Manual		2/18/2026
