Molina Healthcare of Washington, Inc. is required to provide annual training regarding our Model of Care (MOC) program for Special Needs Program (SNP) enrollees. The Model of Care is the foundation for Molina's care management policy, procedures, and operational systems for our SNP population.

To ensure that Molina remains compliant with Centers for Medicare and Medicaid (CMS) regulatory requirements for Model of Care training, receipt of a completed attestation form is due from PCP's, Health Home Care Coordination Organizations and providers listed below to Molina no later than 11/01/2025.

- OB/GYN
- Hematology and Oncology
- Psychiatry

Your practice must take action to complete this training and submit your attestation.

- Online Training: The [Molina 2025 Model of Care Provider Training](#) is on the Washington Medicare Provider Website under the Model of Care header.
- Complete and sign the Model of Care Training Attestation form at <https://www.molinahealthcare.com/providers/common/MOC/2025/WA>
- Return Attestation Form to Molina Healthcare via the automated submit button on the form, or via email at: [MHW.MOC.Attestations@MolinaHealthcare.com](mailto:MHW.MOC.Attestations@MolinaHealthcare.com)

To help providers, meet this contractual requirement we will be hosting a series of MOC Webinars. These trainings will allow attendees to get the required training and to have the attestation process completed at the end of the training. This attestation confirms that a provider has completed the required training for Molina SNP members.
