Provider

Find your child's primary care provider

Your child's primary care provider (PCP) takes care of all his or her medical needs. Your child's PCP's office is his or her health home. It's important to have a PCP who makes you and your child feel comfortable. It's easy to choose one with our Provider Directory, a list of providers. You can pick one for your child, one who sees all of your children, or a different one for each of your children. Schedule your child's first visit to get to know his or her provider. Call your child's PCP right away if you need to cancel or reschedule his or her appointment. You can also call Molina Healthcare at (844) 809-8438, TTY/TDD 711 if you need help making an appointment, finding a provider, or finding information about your child's PCP.

If you do not choose a PCP for your child, Molina will do it for you. Molina will choose a PCP based on your address, preferred language and providers your child has seen in the past.

Schedule your child's first visit

Take your child to visit his or her primary care provider (PCP) within 90 days of signing up. Learn more about your child's health. And let your child's PCP know more about him or her.

Your child's primary care provider will:

- Treat your child for most of his or her routine health care needs
- Review your child's tests and results
- Prescribe medications
- Refer your child to other providers (specialists)
- Admit your child to the hospital if needed

Interpreter services

If you need to speak in your own language, we can assist you. Call Member Services and we can assist you in your preferred language through an interpreter. An interpreter can help you talk to your child's provider, pharmacist, or other medical service providers. We offer this service at no cost to you. An interpreter can help you:

- Make an appointment
- Talk with your child's provider
- File a complaint, grievance or appeal
- Learn about the benefits of your child's health plan

If you need an interpreter, call the Member Services Department. The number is on the back of your child's member ID card. You can also ask your child's provider's staff to call the Member Services Department for you. They will help you get an interpreter to assist you during your child's appointment.

You must see a provider who is part of Molina.

If for any reason you want to change your child's primary provider, go to [MyMolina.com](https://www.mymolina.com). You can also call Member Services.

If you change your child's PCP, Molina Healthcare will send you a new ID card.

**Remember, you can call the Nurse Advice Line at any time.
Our nurses can help if your child needs urgent care.
Call (844) 794-3638, TTY/TDD 711.**

Molina's quality improvement plan and program

We are committed to making sure you get the best care possible. That is why each year, we put a plan in place to keep improving:

- Our services
- The quality of the care you receive
- The way we communicate with you

Our goals are to:

- Give you services that benefit your health
- Work with providers to get you the care you need
- Address your language and cultural needs
- Reduce any barriers to getting care, like issues with transportation and/or language

We also want to hear how we are doing. We review the past year of service to check our progress. We may send you a survey to get your feedback. We may also send surveys to see how many members get their needed services. These surveys tell us what care is needed. One of these surveys is called CAHPS® (Consumer Assessment of Healthcare Providers and Systems).

The CAHPS® survey asks questions about how you rate:

- Your health care
- Your primary care provider (PCP)
- Your health plan
- Specialist(s) you have seen
- Well-check exams
- How easy it is for you to get care
- How easy it is for you to get care quickly

HEDIS® (Healthcare Effectiveness Data and Information Set)

We also measure how many of our members get key tests and exams. We look at:

- Annual exams
- Diabetes care
- Mammograms (x-rays of the breast)
- Medicine management
- Pap tests
- Prenatal care
- Postpartum care
- Shots (flu, child and teen shots)

We care about your health. We want to help you take better care of yourself and your family.

To do this, we:

- Remind you to get well-check exams and shots for yourself and your child
- Teach you about chronic health conditions
- Make sure you get prenatal and postpartum care if you're pregnant
- Remind you to get Pap tests and mammograms, if needed
- Address any complaints you have
- Help you find and use information on our website
- Tell you about special services we offer

To learn more, call Member Services at (844) 809-8438 (TTY: 711) Monday-Friday, 7:00 a.m. - 8 p.m. (CST)

Pregnancy and newborn care

What if I have a baby?

Molina Healthcare wants to make sure your child gets medical care as soon as she is pregnant. If you think your child is pregnant, take her to see her PCP. Once your child is pregnant, her PCP will want her to see an OB/GYN. Your child doesn't need a referral to see an OB/GYN. It's important that your child sees her OB/GYN. If you need help finding an OB/GYN for your child, call Member Services at (844) 809-8438, TTY/TDD 711; we can help you arrange for your child's prenatal care. Or, if you want your child to avoid pregnancy, ask about family planning options.

If your child would like to sign her new baby up for Molina Healthcare, she must call the Mississippi Division of Medicaid (DOM) as soon as possible after delivery to add her baby to Medicaid. (800) 421-2408 (Deaf and Hard of Hearing dial 711).

If your child has any questions about enrolling her new baby in Molina Healthcare, call Member Services.

Copayments (copays)

A copayment, or copay, is a fee that you may need to pay each time your child visits their provider or emergency room. There are three coverage plans. Each coverage plan has a different amount that you will need to pay each time your child visits their provider. Look at your child's member ID card for his or her copayment amount.

Coverage plan	Provider visit	Emergency room visit	Copay maximum
MSCHP 01	\$0	\$0	\$0
MSCHP 02	\$5 per visit	\$15 per visit	\$800 per coverage period
MSCHP 03	\$5 per visit	\$15 per visit	\$950 per coverage period

Your child's coverage period is one (1) year. There may be a limit to the amount you pay in copays during your child's coverage period. This amount is the copay maximum. You will get a letter when you reach your child's copay maximum. The letter will say that you won't have to pay any more fees until the end of your child's coverage period. Keep this letter and show it when you take your child to their provider or emergency room. This will let the provider know that you do not have to make a copay. If you need another copy of this letter, call Member Services at (844) 809-8438, TTY/TDD 711.

Covered services

Prior approval process

You child can get emergency care and most services without a Prior Approval. But some services do require a Prior Approval. For a Prior Approval request, a provider must call Molina Healthcare about the care they would like your child to receive. Molina will review the request based on medical necessity and let your child's provider know if the request is approved before they can give your child the service. This way, they can make sure it is appropriate for your child's specific condition.

Second opinions

If you do not agree with the provider's plan of care for your child, you have the right to a second opinion. Talk to another provider or out-of-network provider. This service is at no cost to you. Call Member Services to learn how to get a second opinion.

How to choose a primary care provider (PCP)

It is easy to choose your child's primary care provider (or PCP). Use our Provider Directory to select from a list of providers. You may want to choose one provider who will see all of your children. Alternatively, you may want to choose a different provider for each of your children.

Your child's PCP knows your child well and takes care of all his or her medical needs. Choose a PCP for your child as soon as you can. It is important that you feel comfortable with the PCP you choose for your child. In addition to your child's PCP, female members can obtain women's preventive health services from a women's health provider without prior authorization. You do not need a referral from your PCP.

Call and schedule your child's first visit to get to know his or her PCP. If you need help making an appointment, call Molina Healthcare toll-free at (844) 809-8438, TTY/TDD 711. Molina Healthcare can also help you find a PCP for your child. Tell us what is important to you in choosing a PCP. We are happy to help you. Call Member Services if you want more information.

You will be informed of changes to the provider network within 15 days after Molina receives notification.

How to get specialty care and referrals

If your child needs care that his or her PCP cannot give, he or she will refer your child to a specialist who can. Talk with your child's PCP to be sure you know how referrals work.

If you think a specialist does not meet your child's needs, talk to his or her PCP. Your child's PCP can help your child if he or she needs to see a different specialist. There are some treatments and services that your child's PCP must ask Molina Healthcare to approve before your child can get them. That is called a "pre-authorization." Your child's PCP will be able to tell you what services require this approval.

If we do not have a specialist in Molina Healthcare who can give your child the care he or she needs, we will get your child the care he or she needs from a specialist outside Molina Healthcare. Getting a referral from your child's PCP ensures your health care is coordinated and all of your child's providers know your health care goals and plans for your child.

For members requesting care from a specialist outside the network, the PCP or the specialist your child is seeing needs to request prior approval of specialty care or services from Molina Healthcare via fax or phone call. This request for prior approval must be done before any treatments or tests take place. If a request for specialty care is denied by Molina Healthcare, we will send you a letter within three (3) days of the denial. You or your child's PCP can appeal our decision. If your child's PCP or Molina Healthcare refers your child to a provider outside our network, you are not responsible for any of the costs. Molina Healthcare will pay for these services.

If your child needs to see a provider that is not part of Molina

If a Molina Healthcare provider is unable to provide your child with necessary and covered services, Molina Healthcare must cover the needed services through an out-of-network provider. This must be done in a timely manner for as long as Molina's provider network is unable to provide the service.

If you are outside of the Molina Healthcare service area and your child needs non-emergency medical care, the provider must first contact Molina Healthcare to get approval before providing any services. It is important to remember that your child must receive services covered by Molina Healthcare from facilities and/or providers in Molina Healthcare's network.

What is an emergency?

An emergency needs to be taken care of right away. Your child doesn't need approval for an emergency. Call 911 or go to an emergency room near you. You can go to any emergency room or other facility that is not part of Molina. You can get care (24) hours a day, (7) days a week. If the emergency room provider says that your child doesn't have to stay but your child still stays, you may have to pay.

Your child might need care after leaving the ER. If your child does, don't go to the ER for follow up care. If you need help getting your child to a provider, call Member Services. If your child does not have an emergency, don't go to the ER. Call your child's PCP.

Molina Healthcare has a 24-Hour Nurse Advice Line which can also help you understand and get your child the needed medical care. If your child needs non-emergent care after normal business hours, you can also take your child to visit an urgent care center. You can find urgent care centers in the provider directory. If you need help finding one you can call Member Services at (844) 809-8438, TTY/TDD 711. You may also visit our website at MolinaHealthcare.com.

What is Post-Stabilization?

These are services you get after ER care. These services keep your condition stable. You do not need approval for these services. After your child's visit to the ER, you should call his or her provider as soon as you can. Your child's provider will help you get any follow-up care your child needs. You can also call Member Services for help.

Prescriptions

Molina Healthcare members will use Gainwell to process prescription claims. To contact Gainwell about your pharmacy benefits, call 800-884-3222. The Pharmacy Benefit phone number is also listed on your Molina member ID card. To find a pharmacy near you, visit portal.ms-medicaid-mesa.com/ms/provider/Resources/SearchProviders/tabid/220/Default.aspx.

Gainwell must approve the PA request before you can get the medication. Reasons why we may require PA of a drug include:

- There is a generic or
- There may be another preferred drug available
- The drug can be misused or abused.
- There are other drugs that must be tried first.

Some drugs may also have quantity (amount) limits and some drugs are never covered. Some drugs that are never covered are:

- Drugs for erectile dysfunction
- Drugs for infertility

If Gainwell does not approve a PA request for a drug, Gainwell will send a letter to you and your provider. The letter will explain how to appeal Gainwell's decision. Remember to fill your prescriptions before you travel out of State.

The PDL can change. It is important for you and your provider to check the Mississippi Division of Medicaid's Universal Preferred Drug List (PDL) when you need to fill or refill a medication. You can find a link to the Mississippi Division of Medicaid's Universal PDL at MolinaDrugList.com/MS/CAN. You can find a Medicaid pharmacy provider by visiting our website at MolinaProviderDirectory.com/MS/CAN.

Access to behavioral health

Molina can help you get the behavioral health services your child needs. Your child must use a provider that is part of our behavioral health network, unless it's an emergency. Your child's benefits cover inpatient services, outpatient services, and provider visits. Your child doesn't need a referral to see a provider. You can pick or change your child's behavioral health care provider or care manager at any time.

You can contact a care manager at 844-809-8438 to help get the services you need.

What to do if you are having a problem

Your child might be having these feelings:

- Sadness that does not get better
- Feeling hopeless and/or helpless
- Guilt
- Worthlessness
- Difficulty sleeping
- Poor appetite or weight loss
- Loss of interest

If so, call the Molina Nurse Advice line at (844) 794-3638 TTY/TTD 711.

Emergency behavioral health services

A behavioral health emergency is a mental health condition that may cause extreme harm to the body or cause death. Some examples of these emergencies are: attempted suicide, danger to self or others, so much functional harm that the person is not able to carry out actions of daily life, or functional harm that will likely cause death or serious harm to the body.

If your child has an emergency, go to the closest hospital emergency room. You can take your child to any other emergency place right away. You can CALL 911. If you take your child to the ER, let your child's provider know as soon as you can.

If your child has a behavioral health emergency and can't get to an approved provider, do the following:

- Go to the closest hospital or facility
- Call the number on your child's ID card
- Call your child's provider and follow-up within (24) to (48) hours

For out-of-area emergency care, the plan will transfer your child to a provider that is part of an approved behavioral health provider. We will only do this when your child is well.

Mental health and/or substance abuse services

If your child needs mental health and/or substance abuse services, call Member Services for information at (844) 809-8438, TTY/TDD 711 for the hearing impaired: or you may self-refer your child directly to a state certified community mental health center or treatment center. You can also look at the provider directory online at MolinaHealthcare.com, visit member portal at MyMolina.com or call Member Services for the names and telephone numbers of the facilities near you.

How to access hospital services

Inpatient hospital Services

Your child must have a prior authorization to get hospital services except in the case of an Emergency or urgent care services. However, if your child gets services in a hospital or is admitted to the hospital for emergency or out-of-area urgent care services, his or her hospital stay will be covered. This happens even if your child does not have a prior authorization.

How does Molina pay providers for your child's care?

Molina Healthcare contracts with providers in many ways. Some Molina Healthcare providers are paid on a fee-for service basis. This means they are paid each time they see your child and for each procedure they perform. Other providers are paid a flat amount for each month a member is assigned to their care, whether or not they see the member.

Some providers may be offered rewards for offering excellent preventive care and monitoring the use of hospital services. Molina Healthcare does not reward providers or employees for denying medical coverage or services. Molina Healthcare also does not give bonuses to providers to give you less care. For more information about how providers are paid, please call Member Services.

Payment and bills

If you get a bill for your child from a plan provider for approved and covered services, call Member Services. Do not pay the bill until you have talked to us. We will help you with this matter.

You may have to pay for services that are not covered. You may also have to pay for services from providers not part of our network. If the services were an emergency, you don't have to pay. If you need help, call Member Services.

Looking at what's new

We look at new types of services, and we look at new ways to provide those services. We review new studies to see if new services are proven to be safe for possible added benefits. Molina Healthcare reviews the type of services listed below at least once a year:

- Medical services
- Mental health services
- Medicines
- Equipment

Eligibility and enrollment

Please call the Mississippi Division of Medicaid about eligibility. They are open Monday through Friday from 8:00 a.m. to 5:00 p.m. Their number is (800) 421-2408 (Deaf and Hard of Hearing dial 711).

Enrollment period:

If your child is a mandatory enrollee required to enroll in a plan, once your child is enrolled with Molina Healthcare or the State enrolls your child in a plan, you can change plans for your child within the first 90 days from the date of enrollment with the plan. After the 90 days, if your child is still eligible for CHIP, he or she may be enrolled in the plan for the next nine months. This is called “lock-in”.

Other insurance:

You must let Molina and the Division of Medicaid know if your child has other insurance coverage with another company. Molina can help coordinate your child’s other benefits with the other insurance company.

Open enrollment:

If your child is a mandatory enrollee, the state will send you a letter 60 days before the end of your child’s enrollment year telling you that you can change your child’s plans if you want to. This is called “open enrollment”. You do not have to change health plans. If you choose to change your child’s health plans during open enrollment, your child will begin in the new health plan at the end of his or her enrollment year. Whether you pick a new health plan for your child or keep your child in the same health plan, your child will be locked into that health plan for the next 12 months. Every year, you may change your child’s health plan during the 60-day open enrollment period.

Disenrollment:

Members may change their plan selection within the first ninety (90) days of Enrollment and thereafter during open enrollment periods. Voluntary disenrollment does not stop Members from filing a grievance with Molina Healthcare for incidents occurring during the time they were covered by Molina.

You can ask to disenroll your child from the plan if the services you want your child to receive are not covered because of moral or religious reasons.

Involuntary disenrollment:

Your child must be disenrolled from Molina Healthcare if he or she:

- No longer resides in the state of Mississippi;
- Is identified as pregnant and verified by the division;
- Is determined to have creditable coverage by the division; Is deceased; or
- Becomes a custodial nursing home resident.

Call Molina Member Services or the Mississippi Division of Medicaid (DOM) to stop your child's membership if your child meets any of the criteria listed above. Molina will let DOM know, in writing, within three (3) calendar days if any of the above occurs.

Renewal of benefits

You are required to renew your benefits every year. If you do not, you may lose your benefits. If you have moved since you originally signed up for Medicaid, you must call your local regional Medicaid office and tell them your new address or you will not receive a letter telling you when it is time to renew your benefits. For more information, visit MolinaHealthcare.com/MSRenew.

Reinstatement (renewal of Molina membership):

If your child loses CHIP eligibility but regains it within (60) days, Molina will stay as your child's health plan. Molina will pick your child's previous PCP as long as the previous PCP is still in the Molina network. If you want a new PCP for your child, call the Member Services Department at (844) 809-8438, TTY/TDD 711.

If you want to change your child's health plan, you must contact the Division of Medicaid. You can call them at (800) 421-2408. We want you to be happy with your child's health plan. Please tell us why you are not happy with us. This will help us improve. Call Member Services at (844) 809-8438, TTY/TDD 711 and let them know the reason.

You can file a complaint over the phone or in writing. Complaints must be filed within thirty (30) calendar days from the date of the event causing your dissatisfaction. Complaints are considered less serious or formal.

All complaints are resolved within one (1) calendar day from when we get the complaint. We will call you within twenty-four (24) hours if for any reason we cannot resolve the issue during the initial contact. If we cannot resolve your complaint within (1) calendar day of getting it, your complaint will be treated as a formal grievance.

You may file a grievance over the phone or in writing at any time. A grievance is an expression of dissatisfaction, regardless of whether you call it a "Grievance", received by Molina verbally or in writing about any matter or aspect of Molina or its operation, other than a Molina Adverse Benefit Determination.

Examples of complaints and grievances are, but are not limited to:

- You have a problem with the quality of your child's care
- Wait times are too long
- Your child's PCP or the PCP's staff is rude
- You can't reach someone by phone
- You are not able to get information
- A PCP's office is not clean
- Your child's enrollment with Molina ends and you did not ask for this
- You cannot find a provider in your area
- You are having trouble getting your child's prescription
- Molina extended the timeframe for resolving a grievance or appeal

We will send you a letter letting you know that we got your grievance within five (5) calendar days of getting your grievance. We may call your child's provider or get help from other Molina departments to investigate your grievance. You will get a letter with the outcome of your Grievance as quickly as your health condition requires, but no later than thirty (30) calendar days from when we got your grievance.

You can ask for up to fourteen (14) extra calendar days to resolve your grievance. Also, Molina can take up to fourteen (14) extra calendar days if we need more information for your grievance. We will call you and send you a letter within two (2) calendar days of extending the timeframe. The letter will include the reason why we need more time and how the delay is in your best interest.

At any time you may request a copy of your file, medical records or any material free of charge.

Appeals

If you got a Notice of Adverse Benefit Determination (denial letter) and you are unhappy with Molina's decision, you can ask for an appeal. - Reducing services;
- Suspending services;
- Terminating services;
- Denying payment for services;
- Failing to provide services in a timely manner;
- Failing to resolve appeals and grievances within timeliness guidelines;

We will send you a letter letting you know that we got your appeal within ten (10) calendar days of getting the appeal. We may call your child's provider or get help from other Molina departments to investigate your appeal. You will get a letter with the outcome of your appeal as quickly as your child's health condition requires, but no later than thirty (30) calendar days from when we got the appeal request.

You can ask for up to fourteen (14) extra calendar days to resolve your appeal. Also, Molina can take up to fourteen (14) extra calendar days if we need more information for your appeal. We will call you and send you a letter within two (2) calendar days of extending the timeframe. The letter will include the reason why we need more time and how the delay is in your best interest.

You have the opportunity to present Molina with evidence of the facts or law about your case, in person or in writing. Your appeal will be looked at by an individual with the appropriate clinical knowledge for your child's condition. In order to be fair, your appeal will be looked at by someone who was not involved in any previous level of review and is not an employee of the individual who made the first decision.

You, or someone legally authorized to do so, can ask us for a complete copy of your case file at any time, including medical records (subject to Health Insurance Portability and Accountability Act (HIPAA) requirements), a copy of the guidelines (criteria), benefits, other documents and records, and any other information related to your appeal. These can be provided free of charge.

Expedited appeals

You, your child's provider, or your authorized representative can ask for an expedited (fast) appeal if you think that waiting thirty (30) calendar days for an appeal decision could put your life, health, or your ability to attain, maintain, or regain maximum function in danger. Molina can also expedite (rush) your appeal request based on the information we get.

Molina will decide if your request meets the guidelines for an expedited appeal resolution within twenty-four (24) hours of getting your expedited appeal request. If your appeal request does not meet the guidelines for an expedited (fast) appeal, we will still process your plan appeal within the regular thirty (30) calendar day timeframe. We will call you and send you a letter with this information within two (2) calendar days of getting your expedited appeal request.

If we do expedite (rush) your plan appeal, we will call you and send you a letter with the appeal resolution within seventy-two (72) hours of getting your expedited appeal request. Expedited (fast) appeals will be resolved as quickly as your health condition requires, but no more than seventy-two (72) hours from when we get the expedited appeal request. Please note the limited time available to present evidence if we expedite your appeal.

You can ask for up to fourteen (14) extra calendar days to resolve your expedited appeal. Also, Molina can take up to fourteen (14) extra calendar days if we need more information for your expedited appeal. We will call you and send you a letter within two (2) calendar days of extending the timeframe. The letter will include the reason why we need more time and how the delay is in your best interest.

At any time you may request for a copy of your file, medical records or any material free of charge.

Independent external review

If you are unhappy with an appeal decision that was made not in your favor, you or Authorized Representative can ask for an independent external review. You can ask for an independent external review within one hundred twenty (120) calendar days of Molina's notice of appeal resolution unless an acceptable reason for delay exists. An acceptable reason for delay includes, but is not limited to, situations or events where:

- You were seriously ill and were prevented from calling Molina;
- You did not get the notice of Molina's decision;
- You sent the request for Appeal to another government agency in good faith within the time limit; and
- Unusual or unavoidable circumstances prevented a timely filing.

You must first complete a plan-level appeal before asking for an independent. To ask for an independent external review, you may submit your request to the Molina Appeals and Grievance department. The Appeals and Grievance team will submit the Independent external review to the MLS Group of Companies for review; the MLS Group of Companies will contact you when the review is completed. Please submit your request to the following:

Independent External Review Request
Attention: Member Grievance and Appeals
c/o Firstsource
P.O. Box 182273
Chattanooga, TN 37422
Fax: (844) 808-2407

The MLS Group of Companies does not have any ties to Molina. The MLS Group of Companies will let you know in writing when they have received your independent external review request and of the independent external review decision in writing. Molina will meet the terms of the Independent external review decision made by the MLS Group of Companies. The decision made by the MLS Group of Companies in these matters will be final.

When your appeal is about services your child was getting, but they ended or were decreased, you can continue getting services during the independent external review. If your child continues getting services, there will be no change in services until a final Independent external review decision is made. Please be sure to tell us if you want your child's services to continue.

If your child continues getting services and the services are still denied after an independent external review, we may ask that you pay for the cost of those services. We will not take away your child's CHIP benefits. We cannot ask your family or legal representative to pay for the services. Molina will meet the terms of the independent external review decision made by the MLS Group.

The MLS Group decision in these matters will be final. If the independent external review decision is to reverse an Adverse Benefit Determination made by Molina, Molina will pay for all costs associated with the hearing.

Advance directives or living will

You have the right to make choices about your health. You have the right to have or not have medical care. You can make this happen at any time. This form is called an Advance Directive or Living Will. This form allows your family and provider to know what care you want or don't want. It also says when to stop care that will continue your life in case of a serious illness.

The Living Will is a form that helps others give you the care that you want even when you are not able to make decisions for yourself. The form can list the name of someone you trust to make these choices for you. This is in case you are not able to do so.

How can I get more information on living wills?

We can tell you more about Advance Directives or Living Wills. Call Member Services.

If you have a Living Will or Advance Directive and your provider will not follow it, you or your representative can file a complaint with the State Department of Health. To file a complaint, you may call (866) 458-4948.
